Dear Mrs. Stang:

Reference is made to your claim for damages in the amount of \$61.94, arising out of an accident on 19 December 1952, at the intersection of Franklin and Gilmore Streets, Baltimore, Maryland. This is to inform you that your claim is denied.

Review of our accident report, together with your claim for damages (Form 95), submitted under date of 25 March 1953, indicates that you pulled part way out of your lane of traffic into the lane in which our vehicle was moving. Our report also indicates that your vehicle was damaged slightly in the left front door.

Based on the information and evidence available to us, it is determined that your claim is not one arising from circumstances where the United States (as represented by the Central Intelligence Agency) if a private person, would be liable under the Vehicle and Traffic Laws of the State of Maryland.

Sincerely yours,

25X1A
